We introduce a correction to the recent 83rd Name-list of Variable Stars.

Due to a misprint, the last page of Table 1 in the recent 83rd Name-list of Variable Stars (Samus et al., 2020; p. 31 of the pdf version) contains, along with correct designations of variable stars in the globular NGC 5927, a wrong cluster header. Below we reproduce the last page of Table 1 in the correct form.
